

## EVA DILLNER

Her art has been described as magical, mystical, dreamy, inspiring, fantastic, emotional, healing, like stars being born, a journey through Cosmos and Mother Earth.

She is the author of Secrets of Transformation (2nd ed The Naked Truth), The Pathfinder Process and God put a Dream in my Heart.

## Come play with colors and techniques

Come play and learn as Eva Dillner shares techniques and tips for becoming one with the creative flow, where you let go and surrender to the now, and your inner explorer takes over.
